AN EXPLORATION OF FLAVOUR

Over the listed 16 drinks, this menu explores 8 of our favourite flavour categories, inspired by the flavour wheel.

Stonefruit

Floral

Tropical

Picnic

Hedgerow

Spice

Umami

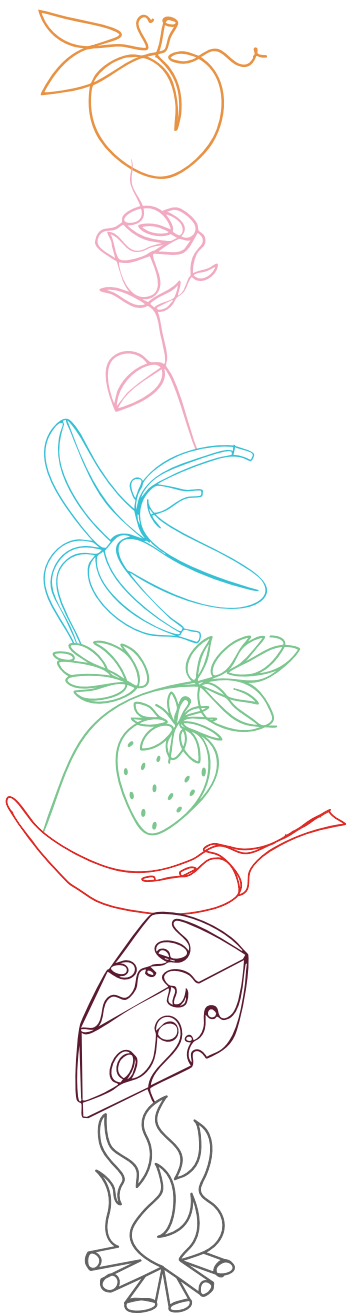

Smoke

We believe all of these flavours can be presented in diverse, curious, and often surprising ways. Throughout this menu, we explore 2 iterations of each chosen essence.

Our menu develops in terms of intensity, and can be broadly split into two halves.

We explore each of our individual flavours in a lighter, more approachable format initially, before returning to each flavour again in the second half through more complex and spirit forward cocktails.
